

Faculty Profile: Dr. Siavash Savadi Oskoee

Name: Siavash Savadi Oskoee DDS, MSD

Department of Operative Dentistry

School of Dentistry

Tabriz University of Medical Sciences

Daneshgah Avenue

Tabriz, Iran

Phone: +98 (413) 3355-965

Office Phone: +98 (413) 3340-310

Fax: +98 (413) 334-6977

Email: Soskoe@hotmail.com

Academic & administrative position

- Professor of Department of Operative Dentistry (since April 2012 up to now)
- Associate Professor of Department of Operative Dentistry (since Jan 2007 up to April 2012)
- Assistant Professor of Department of Operative Dentistry (since Nov 1994 up to Jan 2007)
- Head of the department of operative dentistry (since Nov 1994 up to 2007 and July 2010 up to Aug ۲۰۱۸)
- Associate Dean for Administration in Tabriz School of Dentistry (since June 2002 up to Sep 2005)
- Director of postgraduate operative dentistry program (since Aug 2001 up to Aug 2005)
- Associate Dean for Post-graduate Studies & Fellowship since in Tabriz School of Dentistry (Feb 2006 up to Oct 2017)
- Head of library of dentistry faculty (since Nov 1995 up to Nov 2005)

- Membership of Dental and Periodontal Research Center in Tabriz School of Dentistry(since Nov 2009 up to now)
- A Member of the Specialty Council of Dental Education, Ministry of Health and Medical Education (sinceFeb2014 up to oct2017)
- A Member of the 7-member Council of Specialty Dental Education, Appointed by the Health Minister(sinceFeb2014 up to oct2017)
- Member of Research Council in Tabriz School of Dentistry (since Oct 2005 up to 2012)
- Editorial board of journal of dental research, dental clinics, dental prospects (JODDD)(sinceOct2005 up to now)
- Membership of the Iranian National Board Exam of Operative Dentistry (۲۰۱۹ .2018,2011,2009 , 2007, 2006, 2004)
- Membership &Referee of Dental Committee of national Razi research festival on medical sciences(2009,2008,2007,2006)
-
- Chairman of the 12th International Congress Of The Iranian Academy Of Restorative Dentistry.24-26 October 2012.Tabriz-IRAN

• Educational background

- 1994- MSD, Operative Dentistry, Mashhad University of Medical Sciences Mashhad, Iran
- 1989- DDS, Shaheed Beheshti University of Medical Sciences, Tehran, Iran
- 1983- Diploma in Experimental Science Shariati High School, Osku, Iran

• Courses

- Theoretical/Practical Sessions for Under/Post-graduate Students of Dentistry
- Lecturer of Continuing Dental Education Programs

• Research interests

- Restoration of Endodontically Treated Teeth
- Tooth Bleaching
- Bonding and Adhesive Dentistry
- Complex amalgam restoration
- Dental Materials
- Esthetic and tooth colored restoration

• Publications
