

**Katayoun Katebi**, DDS, MSD

Assistant Professor

Department of oral and maxillofacial medicine

Faculty of Dentistry, Tabriz University of Medical Sciences

Phone: +98 (41) 33355965

Email: [katebik@tbzmed.ac.ir](mailto:katebik@tbzmed.ac.ir) , [K\\_katebi@yahoo.co.uk](mailto:K_katebi@yahoo.co.uk)

ORCID ID: 0000-0002-6595-6359

## **EDUCATIONAL BACKGROUND**

**2018- MSD, oral and maxillofacial medicine, Tabriz University of Medical Sciences, Tabriz, Iran**

**2015- DDS, Tabriz University of Medical Sciences, Tabriz, Iran**

**2009- Diploma in Experimental Sciences, Farzanegan High School, Tabriz, Iran**

**2021- Assessment and Evaluation Fellowship, Virtual University of Medical Sciences**

## **EDUCATIONAL EXPERIENCE**

**Theoretical and practical courses on oral and maxillofacial medicine for undergraduate and postgraduate students**

**Theoretical and practical courses on Community oral health for undergraduate students**

## PRESENTATIONS

<b>N</b>	<b>Title</b>	<b>Conference</b>	<b>Time</b>	<b>Location</b>	<b>Presentation type</b>
<b>1</b>	The relationship between maternal periodontal and dental health status and preterm birth	The 10th international conference on women's health	Dec 2021	Shiraz	Poster
<b>2</b>	Diagnostic salivary biomarkers in oral cancer: A review	The 1st International Congress of Biomarkers	Feb2023	Urmia	Poster
<b>3</b>	Comparison of serum and salivary	The 1st International	Feb2023	Urmia	Poster

	folate levels in patients with oral squamous cell carcinoma	Congress of Biomarkers			
4	Prevalence and localization of oral lesions in patients with tobacco smoking habits	4th National and 1st International Congress on Tobacco and Health	Feb2023	Bandar Abbas	Poster
5	Frequency of Different Oral Mucosal Lesions in Geriatric Patients Attending the Department of Oral and Maxillofacial Medicine of Tabriz Faculty of Dentistry	The first international congress of palliative care and support for the elderly	Feb2023	Kashan	Poster

## SCHOLARSHIPS

Design, implementation, and evaluation of virtual evidence-based training in the oral health and community dentistry department

## SUPERVISED THESIS

N	Title
1	The relationship between sublingual varices and hypertension
2	Comparison of microleakage in the the pit and fissure sealant therapy using self-etch and etch-and-rinse adhesive systems with and without chlorhexidine application
3	Comparison of oral health indexes in patients with diabetes type 2 receiving insulin with patients receiving hypoglycemic oral agents
4	Comparison of oral health indexes in patients with controlled and uncontrolled diabetes mellitus type 2
5	Evaluation of the effect of pilocarpine mouthwash on salivary flow rate in patients with xerostomia: a systematic review
6	Comparison of the effect of platelet-rich factor with corticosteroids in treatment of Oral Lichen Planus Patients: A systematic review
7	Investigating the prevalence of local injuries of third molar tooth impaction and their relationship with the angle and depth of impaction in the surgical department of Tabriz Faculty of Dentistry in the academic year of 1402-1401
8	Comparison of Salivary oxidative stress markers in patients with temporomandibular disorders with healthy people: a systematic review and meta-analysis
9	Comparison of pain and healing of Operculectomy procedures using Diode Laser and conventional surgical knife: a systematic review and meta-analysis

10	The Relationships between salivary cortisol levels and temporomandibular joint disorders: A systematic review and meta-analysis
11	The relationship between sublingual varix and hypertension: a systematic review

### **EXECUTIVE POSITIONS**

- Head of the academic advisor system of Tabriz Faculty of Dentistry
- Oral, and maxillofacial medicine Postgraduate students' supervisor
- Member of the Research Council of the Tabriz Faculty of Dentistry
- Associate editor of the Journal of Dental Research Dental Clinics Dental Prospects

### **AWARDS AND HONORS**

- Ranked first in the Iranian National Board Exam of Oral and maxillofacial medicine in 2018
- Ranked Second in the undergraduate course of Dentistry (2015)

### **PROFESSIONAL MEMBERSHIPS**

- Membership in the Iranian Dental Association
- Membership in the scientific society of Oral and Maxillofacial sciences

### **RELEVANT SKILLS**

- Advanced English language skills (Iran language institute)
- ICDL (Virtual university of medical sciences)
